

The author grew up sketching, coloring, drawing in sketchbooks since age five. Recently her sketchbook has overgrown with wild, wacky, and wonderful Zentangles, and she realized there are folks who love finishing these types of work with their own personalized colors. Hence, the **Mandalas & Zentangles** coloring book – just for big kids at heart. Enjoy and do connect with the artist's Facebook page to post and show the artist your results!

The author, Dawn D. Boyer, Ph.D., lives in Virginia Beach, VA, and is active in writing, entrepreneurship, human resources consulting, volunteering as a SCORE mentor, public speaking, resume writing / career coaching, print-on-demand publishing and editing, and small business development consulting.

More information about her business can be found at:
